The image shows a multi-step process for managing a preferred procurement channel. On the left, a summary card titled 'Preferred Procurement Channel' displays three status categories: 'Verified' with a count of 1, 'To be verified' with a count of 0, and 'Rejected' with a count of 0. A 'View more' button is highlighted with a red box. An arrow points from this button to the main content area, which is a screenshot of the 'Preferred Procurement Channel' page. This page includes a navigation breadcrumb, a title, a note about adding up to two channels, and a table of existing channels. A red box highlights the 'Add Preferred Procurement Channel' button. Another arrow points from this button to a modal window titled 'Add Preferred Procurement Channel'. The modal contains a success message, a 'Country' dropdown menu with 'Ireland' selected, a 'Partner name' search input field with a magnifying glass icon highlighted by a red box, and three buttons at the bottom: 'Cancel', 'Save as Draft', and 'Submit'.
